*When I called The Bad Kitty to arrange a pole dancing party for my birthday, I was looking for*

*something that would be fun, lively, unique and that would be a bonding experience for the women in my life.*

*I chose Christie because I knew that she was the perfect mix of professionalism and fun. She makes women feel at ease with their bodies and the activity.. I admire her style, her personality and her ability to bring the topic of sensuality into the open, with any woman of any age or background.*

*I definitely got everything I expected and more. Who knew I could do a fireman swing around a pole?*

*The two hours passed way too quickly and I know I wasn't the only one who wished we 'could've danced all night.'*

*Thank you Christie for adding fun, playfulness, 'steam and sizzle' to my party. I would highly recommend your event to other women looking for a one of a kind experience. -Lisa Chell, Business Coach*
